Menu of the day.

Mixblik Menu of the day va **8.00**

Every week the ladies of Mixblik prepare a delicious worldly lunch in our giant kitchen of the first floor. Ask us about it.

Our story.

Welcome in our coffee bar! **SOCOCO** is a Rotterdam-based coffee company with a social mission. We choose the best **specialty coffee** directly from our local farmers. For a fair price. In this way we make a **social impact** throughout the entire coffee chain.

In this coffee bar we provide opportunities for 'Rotterdam people'. Through our learning and working programs, we promote the (re)integration of unseen talent into the job market. We give **power** to people!
